Dear Sid:

Enclosed are the forms which I discussed with you by phone today; the copies to be returned are spelled out in the blue instruction sheet. Only one copy of the Personal History Statement is enclosed so you might want Eve to make a copy of this for your retention. The Statement of Employment and Financial Interest, which is required for consultants and employees, can be put in a separate envelope and marked 'Statement of Employment and Financial Interest to be opened only by Deputy Director of Central Intelligence.' This information is of use only to our General Counsel of DDCI Office. The other forms are required for clearance.

I wouldn't worry too much about the photograph. If it is convenient to get them it would be helpful if they were included.

The areas of work which would be of interest to you can be discussed in detail following receipt of the forms and clearance. However, general information about the Agency's organization and operation could be discussed prior to receipt of these forms, so if you happen to be in the Washington area in the near future don't let completion of the forms preclude a meeting.

 is in charge of the primary area of interest, and, he is anxious to talk to you at your convenience; his telephone number is 351-7113. Please feel free to call either , or me, if you have any questions or if you happen to be in the area.
